

Central Virginia Governor's School (CVGS)

Program Overview Nights: Virtual, invitation based event on Thursday, January 21st

Student Application Packet: The application packet can be found on the [CVGS admissions webpage](#). Anyone is welcome to apply. If turning in a hard copy of the application, please ask learners to not use the front and back of a page. If learners email their application (for example, Bedford Connects students), please print the application as one sided. This will help when the applications are copied so that redaction can occur.

Applicants: 10th grade students from all three zones.

When: Applications due to school counselors by February 1st

Sarah Merricks will pick up Student Application Packets on February 8th.

RVGS

Program Overview Nights: Anyone can attend the virtual program overview night. The link is on the main page of the [RVGS website](#). Sessions will occur on January 14th and January 19th at 6:30. A recording of the session will be available for families who cannot attend.

Student Application Packet: The application will be provided electronically to those who attend the program overview nights. If turning in a hard copy of the application, please ask learners to not use the back of a page. If learners email their application (for example, Bedford Connects students), please print the application as one sided. This will help when the applications are copied so that redaction can occur.

Applicants: 8th, 9th, and 10th grade students from the SRHS or LHS zone.

When: Applications due to school counselors by February 1st.

Other Information: [RVGS Presentation for Prospective Students](#)

XLR8 STEM

Program Overview Night: A virtual presentation will occur on February 4th from 5:30-7:15.

Application Process: Students will fill out the electronic application and submit it directly to the XLR8 STEM Academy. The academy will then contact school counselors regarding who applied and to request additional documents.

Student Application Packet: Provided electronically on the [XLR8 website](#).

Applicants: 10th grade students from any zone.

When: Applications are due directly to the STEM academy by **April 1st**.
